#### How does it work?

- Check your boarding pass or airport display boards to see if you need to change terminals for your next flight.
- Follow the signs to Departures to locate the Fast Track route through security.
- Scan your QR code to open the Fast Track gate.

#### IF YOU HAVE A CHECKED BAG

- Collect your checked bags from the baggage claim area.
- Proceed to the check-in desk for your next flight and leave your checked baggage with them. Self-service bag drop kiosks might be available for your flight.
